SHOW AND TELL!

— — —
Don't forget and don't
hesitate to bring in a few
of your pieces each meeting.
It's a highlight of each OWT
meeting!

Nick showed his hollow form done with his new hollowing tool

Adam had 4 pieces as his skill level is growing Great Job!!

Comming up

Our January demo will be winged bowls and boxes with Rick Bugbee. He will demonstrate how to turn a piece with air or voids in your piece. Riding the bevel and backing into the piece is a must and will become a great technic to learn and practice.

Our January meeting is on the 16th at 7pm (classroom opens at 6pm) @ Ocean State Academy and on zoom 1301 Elmwood Ave. Cranston, RI in the school basement.

All members get a 10% discount at WoodCraft in Walpole just show your membership card and Penn State Industries see Rick for details
